

Wilkeson Elementary

Parental Classroom Input 2016-17

The staff at Wilkeson Elementary takes very seriously the process of placing students for the next academic year. Because this is a lengthy process, we ask that your information be to us by Friday, May 6th. **Class placement meetings with staff begin the following weeks.**

Name of student: _____

Parent's Name: _____

Current placement: _____ (Teacher and grade level.)

Please describe (to the best of your ability) the type of environment in which your child makes the greatest academic progress.

Please describe any special interests and/or abilities that your child demonstrates.

If at all possible my child should **not** be placed with the following student. Please be specific. The purpose of this section is to avoid pairing students with others for whom there have been issues in the past.

The most important thing that next year's teacher should know about my child is:

We are fortunate at Wilkeson Elementary to have an outstanding staff. Changes in specific teaching assignments are in progress and frequently must be changed over the summer. Forms, which name staff members, cannot be provided to classroom teachers. If you have confidential information that you believe should be considered in the placement process, please call the school office for an appointment, 360-829-3357. Thanks in advance for your understanding!

Sincerely,

Nick Hedman, Principal
